

## Direct Cremation

A direct cremation is the simplest type of funeral we can provide, it is unattended, there is no formal funeral ceremony, we will simply transfer the deceased from the place of death in a closed vehicle direct to a crematorium of our choosing at date and time convenient to ourselves within 10 days of being instructed.

The cremated remains will be available for collection in a simple poly-urn from the crematorium by the applicant, or by a nominated representative of theirs or may be scattered within the grounds of the crematorium (without witness).
